**Selection of agency for preparation of first "INDUSTRIAL ECONOMIC
ANALYSIS -2017-2018" for Madhya Pradesh**

Tender/August 2017/.....

Terms of Reference

1. BACKGROUND

The share of Industrial sector in Madhya Pradesh's Gross State Domestic Product (GSDP) was 24.55 percent in year 2014-15. State's economy is connected with manufacturing sector. The Industrial sector growth rate in Madhya Pradesh was 4.45 percent in 2014-15. The State Government is committed for making Industrial hub with total Industrial sector growth in view, production and development will be augmented in allied sectors like manufacturing (registered & unregistered factory), mining & quarrying, electricity and gas, construction etc. and the services that would boost the Industrial Sector and generate sustainable employment. Department of Economics and Statistics, Govt. of Madhya Pradesh is inviting technical and financial bids from external evaluating agencies to carry out an Industrial Economic ANALYSIS for Madhya Pradesh, Yr. 2017-18.

VISION STATEMENT FOR INDUSTRY IN MADHYA PARDESH

To provide for stable and sustainable Industrial development for enhanced employment and livelihood security for young generation and worker in urban/rural areas of Madhya Pradesh. (**Ref. MP Vision 2018**)

MISSION STATEMENT FOR INDUSTRY IN MADHYA PRADESH

To successfully manage all existing and emerging complex challenges of Industrial sector through development and application of modern technologies/innovations blended with proven ITK, institutional innovations and policy reforms to contribute to accelerated, sustainable and inclusive growth. To work in integrated manner on matters relating to Industrial, several Investors meets has been organized in Madhya Pradesh in last few years.

It is proposed to bring out a report on **Industrial Economic ANALYSIS -2017-18** in Madhya Pradesh.

2. INDUSTRIAL ECONOMIC ANALYSIS-2017-18

Industrial sector in Madhya Pradesh is progressing and ready for ticking-off to achieve new heights. Its historic trend of poor performance has started reversing in the last few years owing to strong determination and concerted efforts of the government to put it on the raising growth graph. The emerging complex challenges of climate change, energy crisis, global economic shocks, surging prices with high volatility, dietary changes, persisting problems of employment security, unemployment and

poverty demand more systematic, creative, analytical and professional exercise to compliment planning for accelerated, inclusive and sustainable growth.

3. OBJECTIVE AND SCOPE OF THE WORKS

The objective of this assignment is to carry out a produce the **State Specific Industrial Economic Analysis for the year 2017-18** which would act as a benchmark for measuring changes as a result of collective efforts of government.

Specifically the assignment will aim at achieving the following aims:

- a) The exercise of preparing first **Industrial Economic Analysis 2017-18** for the state which will involve clear statement of vision, mission, and strategy on the basis of analysis for each component listing programmatic interventions and prioritizing them, projects, activities, resources required, expected output, outcome and impact in the line of VISION set by GOMP.
- b) The exercise requires extensive data base on several variables for at least 05 years which is readily available - They have to analyse the various aspects of development in Industrial sector in M.P. in view of regional imbalances within the State. Thus, real picture of Industrial situation should emerge by districts/regions/divisions. A roadmap to reduce imbalance should be clearly spelled out in detail for action.
- c) The agency has to do SWOT analysis with respect to industrial sector i.e. identification of strength, weakness, opportunities and threats & challenges. This has to carry out with different types of Industries existing and likely to come up in near future or suggested by agency.
- d) The Industrial Economic Analysis need to suggest guidelines, short, medium and long- term targets, hurdles coming in the way of industrial development and suggestions, policy proposals for their solutions etc. related to all type of industries and suggest the scope of other industries which are not existing in the state. The industries which have potential of high value addition should also be focussed. In addition industries need to be identified which can be set in state depending upon availability of natural resources within state.
- e) The report should incorporate region/ district-wise comparative analysis of data by industry on all critical parameters.
- f) The status of different industrial cluster in the state on selected parameters need to be ascertain and initiative need to be spelled out to make these cluster more economically viable.
- g) The reasons for slow growth of the sectors need to be identified and remedial action should be suggested by type of industry to extent possible.
- h) Report should also throw light on the trends of industrial production, manpower employed, development of industrial centres, SEZ, industrial parks etc.
- i) Report should highlight present export potential of different type of industries and suggest how to increase export potential.
- j) Status of availability of finance (credit, long – term loan etc.) to industries / start-ups in organised and unorganised sector.

Edited version of RFP after Pre bid meeting held on 25/09/2017, 4 PM at SPC

- k) To set the target of industrial growth (secondary sector) in light of Sustainable Development Goals.
- l) Finally suggest the initiatives and policy interventions to enhance the growth of the sector.
- m) Targets as per the availability of resources from all important sources, the need and priorities of the state will be set to assure continued growth in Industrial sector's GDP. After finalization of feasible targets on a time scale, strategy, programs, activities have to be decided with reference to the level, timing and responsibilities of completion with due monitoring. The planning for needed resources and implementation will also require to be prepared.
- n) The report will incorporate area-wise and comparative analysis of data on area & production.
- o) It will also throw light on the trends of Industrial development, Industrial hub, Supply Chain Management and marketing Linkage and facility. Analysis on financial arrangements (credit, long-term loan etc.) available to corporate persons of the state will also be presented.

Broadly Analysis has to be in two parts:-

A. Industrial Production:-

- i. Marketing Linkage, Industry Based Institution District (Local Self-Government level) and Zone wise.
- ii. Export potential products, Export promotion capabilities and methods of export promotion.
- iii. Suggestion for growth of industry & Employment Generation.

(Above list is indicative & not exhaustive.)

4. Methodology

4.1 Contextual scenario in the State:

As per latest Economic Survey, there were 21,52,659 establishments. 50,559 establishments were of handicraft of which 112 establishments have manpower of ten and more persons. The number of non-handicraft establishments with manpower of 10 and more persons were 18,607 and 2118 establishments were with 50 and more persons on roll. With three digit NIC code, all the establishment have been classified district wise are available. From the list based on NIC code manufacturing units can be classified.

The Commissioner, Industrial Health and Security has provided the list of 7,608 units of which 4270 unit area working while remaining 3338 unit are not working/ closed. For Annual Survey of Industries 2014-15, CSO has used 4098 industrial unit as its frame work, the list of all 4098 unit is also available though some of the units are non-functional. In addition, to above List of Large & Medium Industries/Enterprises Activity wise established in the state after enforcement of MSMED Act. - upto March 2014 is also available. Using available data an appropriate sample of industries has to be drawn (ensuring the representation of different type of industries so that valid situation of industries can be established).

4.2 Sample:

It is proposed to have a minimum sample of minimum 3000 manufacturing unit's spread over Large, medium, MSME and handicraft units. It should also be ensured that all type of units is covered to reveal strength of units as well as problem being faced by units.

Using available data an appropriate sample of industries has to be drawn (ensuring the representation of different type of industries so that valid situation of industries can be established). The study will

entail both quantitative and qualitative analysis methodology. It is advised to use Probability Proportional to Size (PPS) methodology of sampling for selection of sample. Agency is expected to propose an illustrative approach describing the following: research methodology, key resource material, timeline of activities, and a schedule of deliverables. Also to suggest a participatory methodology, whereby the work engages all key stakeholders, including Departments, Key Entrepreneurs, Corporates and SPC staff who should be provided with an opportunity to provide input and comment to the analysis team. It is expected that the consultants will conduct interviews with selected policy holders like Chief Secretary and various ACS, PS HODs in the state. It is expected that the consulting agency hold at least 10 focus groups with key functionaries/stakeholders, at different them/ level. It is expected from agency also to conduct various them based (at least 10 No. of) Case studies on different aspect of industrial economic scenario of the state.

Main tasks under this assignment

1. Exhaustive Review of literature of existing data and information
2. Development of ANALYSIS tools
3. Recruit and train enumerators for the field work.
4. Collect primary data using various participatory data collection methodologies and covering a wide range of stakeholders.

The financial scores of the other proposals will be in inverse proportion to the lowest price. Proposals will be ranked according to their combined technical and Edited version of RFP after Pre bid meeting held on 25/09/2017, 4 PM at SPC

financial scores using the weights given to technical and financial. The bidder achieving the highest combined technical and financial scores will be awarded for the assignment.

13.9 The evaluation formula is outlined as follows:

$S_f = 100 \times F_m/F$, in which S_f is the financial score, F_m is the lowest price and F the price of the proposal under consideration.

14. Error in Proposal

14.1 Bidders are expected to examine all instructions pertaining to the RFP. Failure to do so will be at Bidders own risk. In case of errors in the extension price, unit price shall govern.

15. RFP Terms and Conditions

15.1 This RFP and any responses thereto, shall be the property of Planning and Policy Support Unit, State Planning Commission, Bhopal. In submitting a proposal, the bidder acknowledges that Planning and Policy Support Unit, State Planning Commission, Bhopal reserves the right to:

- Visit and inspect the bidder's premises;
- Contact any/all referees provided;
- Request additional supporting or supplementary information;
- Arrange interviews with the proposed project team/consultants;
- Reject any/all of the proposals submitted;
- Accept any proposals in whole or in part;
- Award contracts to more than 1 bidder, as Planning and Policy Support Unit, State Planning Commission, Bhopal considers being in its best interests.

15.2 Bidders shall bear all costs associated with the preparation and submission of proposals, and Planning and Policy Support Unit, State Planning Commission, Bhopal shall not be responsible for these costs, irrespective of the outcome of the bidding process.

GENERAL TERMS AND CONDITIONS

1. Award of Work:

After selection, a Letter of Intent (the “LoI”) shall be issued, in duplicate, by Planning and Policy Support Unit, State Planning Commission, Bhopal to the Selected Bidder and the Selected Bidder shall, within 3 (three) days of the receipt of the LoI, sign and return the duplicate copy of the LoI in acknowledgement thereof. In the event the duplicate copy of the LoI duly signed by the Selected Bidder is not received by the stipulated date, Planning and Policy Support Unit, State Planning Commission, Bhopal may, unless it consents to extension of time for submission thereof, forfeit the Bid Security of such Applicant, and the next eligible Bidder may be considered.

2. Performance Security:

Upon receipt of Letter of Intent (LoI) from Planning and Policy Support Unit, State Planning Commission, Bhopal, the successful Bidder shall furnish the Performance Security of an amount equal to 10% of the estimated cost of Services/Financial Proposal by way of Bank Guarantee for the due performance of the Contract in the format of Performance Security Form given at Annex-C. The Selected Bidder shall furnish the Performance Security within the time specified in LoI but prior to execution of Agreement. The validity period of Bank Guarantee of Performance Security shall be 180 days or entire project life (whichever is maximum) from the date of LoI and the Selected Bidder shall have to provide the extended Bank Guarantee, before the expiry of 180 days, if required, which shall be valid for the period of three months beyond the date of completion of assignment.

3. Acknowledgment copy

Signing and returning the acknowledgment copy of a contract issued by Planning and Policy Support Unit, State Planning Commission, Bhopal or beginning work under that contract shall constitute acceptance of a binding agreement between Planning and Policy Support Unit, State Planning Commission, Bhopal and the Consulting agency.

4. Delivery Date

Delivery Date to be understood as the time the contract work is completed at the location indicated under Delivery Terms.

5. Payment Terms

- Planning and Policy Support Unit, State Planning Commission, Bhopal shall, unless otherwise specified in the contract, make payment within 30 days of receipt of the Consulting agency's invoice, which is issued only upon Planning and Policy Support Unit, State Planning Commission, Bhopal acceptance of the work specified in the contract.
- Payment against the invoice referred to above will reflect any discount shown under the payment terms provided payment is made within the period shown in the payment terms of the contract.
- The prices shown in the contract cannot be increased except by express written agreement by Planning and Policy Support Unit, State Planning Commission, Bhopal.

6. Limitation of Expenditure

No increase in the total liability to Planning and Policy Support Unit, State Planning Commission, Bhopal or in the price of the work resulting from design changes, modifications, or interpretations of the statement of work will be authorized or paid to the Consulting agency unless such changes have been approved by the contracting authority through an amendment to this contract prior to incorporation in the work.

7. Tax Exemption

The consulting agency authorizes Planning and Policy Support Unit, State Planning Commission, Bhopal to deduct from the consulting agency invoice any amount representing such taxes or duties charged by the Vendor to Planning and Policy Support Unit, State Planning Commission, Bhopal. Payment of such corrected invoice amount shall constitute full payment by Planning and Policy Support Unit, State Planning Commission, Bhopal.

8. Legal Status

The Consulting agency shall be considered as having the legal status of an independent Consulting agency vis-a-vis Planning and Policy Support Unit, State Planning Commission, Bhopal. The Consulting agency's personnel and Associate consultants shall not be considered in any respect as being the employees or agents of Planning and Policy Support Unit, State Planning Commission, Bhopal.

9. Consulting agency's Responsibility for Employees

The Consulting agency shall be responsible for the professional and technical competence of its employees and will select, for work under this Contract, reliable individuals who will perform effectively in the implementation of the Contract, respect the local customs and conform to a high standard of moral and ethical conduct.

10. Indemnification

The Consulting agency shall indemnify, hold and save harmless and defend, at its own expense, Planning and Policy Support Unit, State Planning Commission, Bhopal, its officials, agents, servants and employees, from and against all suits, claims, demands and liability of any nature or kind, including their costs and expenses, arising out of the acts or omissions of the Consulting agency or its employees or Associate consultants in the performance of this Contract. This provision shall extend, inter alia, to claims and liability in the nature of workmen's compensation, product liability and liability arising out of the use of patented inventions or devices, copyrighted material or other intellectual property by the Consulting agency, its employees, officers, agents, servants or Associate consultants. The obligations under this Article do not lapse upon termination of this Contract.

11. Insurance and Liabilities to Third Parties

- The Consulting agency shall provide and thereafter maintain insurance against all risks in respect of its property and any equipment used for the execution of this Contract.
- The Consulting agency shall provide and thereafter maintain all appropriate workmen's compensation and liability insurance, or its equivalent, with respect to its employees to cover claims for death, bodily injury or damage to property arising from the execution of

this Contract. The Consulting agency represents that the liability insurance includes Associate consultants.

- The Consulting agency shall also provide and thereafter maintain liability insurance in an adequate amount to cover third party claims for death or bodily injury, or loss of or damage to property, arising from or in connection with the provision of work under this Contract or the operation of any vehicles, boats, airplanes or other equipment owned or leased by the Consulting agency or its agents, servants, employees or associate consultants performing work or services in connection with this Contract.
- The Consulting agency shall, upon request, provide Planning and Policy Support Unit, State Planning Commission, Bhopal with satisfactory evidence of the insurance required under this Article.

12. Source of Instructions

The Consulting agency shall neither seek nor accept instructions from any authority external to Planning and Policy Support Unit, State Planning Commission, Bhopal in connection with the performance of its services under this Contract. The Consulting agency shall refrain from any action which may adversely affect Planning and Policy Support Unit, State Planning Commission, Bhopal and shall full fill its commitments with the fullest regard to the interests of Planning and Policy Support Unit, State Planning Commission, Bhopal.

13. Title to Equipment

Title to any equipment and supplies which may be furnished by Planning and Policy Support Unit, State Planning Commission, Bhopal shall rest with Planning and Policy Support Unit, State Planning Commission, Bhopal and any such equipment shall be returned to Planning and Policy Support Unit, State Planning Commission, Bhopal conclusion of this Contract or when no longer needed by the Consulting agency. Such equipment when returned to Planning and Policy Support Unit, State Planning Commission, Bhopal, shall be in the same condition as when delivered to the Consulting agency, subject to normal wear and tear.

14. Copyright, Patents and Other Proprietary Rights

Planning and Policy Support Unit, State Planning Commission, Bhopal shall be entitled to all intellectual property and other proprietary rights including but not limited to patents, copyrights and trademarks, with regard to documents and other materials which bear a direct relation to or are prepared or collected in consequence or in the course of the execution of this contract. At Planning and Policy Support Unit, State Planning Commission's request, the Consulting agency shall take all necessary steps, execute all necessary documents and generally assist in securing such proprietary rights and transferring them to the Planning and Policy Support Unit, State Planning Commission, Bhopal in compliance with the requirements of the applicable law.

15. Confidential Nature of Documents

- All maps, drawings, photographs, mosaics, plans, reports, recommendations, estimates, documents and all other data compiled by or received by the Consulting agency under this Contract shall be the property of Planning and Policy Support Unit, State Planning Commission, Bhopal, shall be treated as confidential and shall be delivered only to the Planning and Policy Support Unit, State Planning Commission, Bhopal authorized officials on completion of work under this Contract.

- The Consulting agency may not communicate any time to any other person, Government or authority external to Planning and Policy Support Unit, State Planning Commission, Bhopal, any information known to it by reason of its association with Planning and Policy Support Unit, State Planning Commission, Bhopal which has not been made public except with the authorization of the Planning and Policy Support Unit, State Planning Commission, Bhopal; nor shall the Consulting agency at any time use such information to private advantage. These obligations do not lapse upon termination of this Contract with Planning and Policy Support Unit, State Planning Commission, Bhopal.

16. Force Majeure; Other Changes in Conditions

- In the event of and as soon as possible after the occurrence of any cause constituting force majeure, the Consulting agency shall give notice and full particulars in writing to Planning and Policy Support Unit, State Planning Commission, Bhopal of such occurrence " " change if the Consulting agency is thereby rendered unable, wholly or in part, to perform its obligations and meet its responsibilities under this Contract The Consulting agency shall also notify Planning and Policy Support Unit, State Planning Commission, Bhopal of any other changes in conditions or the occurrence of any event which interferes or threatens to interfere with its performance of the Contract. On receipt of the .notice required under this Article, Planning and Policy Support Unit, State Planning Commission, Bhopal shall take such action as, in its sole discretion; it considers being appropriate or necessary in the circumstances, including the granting to the Consulting agency of a reasonable extension of time in which to perform its obligations under the Contract.
- If the Consulting agency is rendered permanently unable, wholly, or in part, by reason of force majeure to perform its obligations and meet its responsibilities under this Contract Planning and Policy Support Unit, State Planning Commission, Bhopal shall have the right to suspend or terminate this Contract on the same terms and conditions as are provided for in Article 17, Termination", except that the period of notice shall be seven (7) days instead of thirty (30) days.
- Force majeure as used in this Article means acts of God, war (whether declared or not), invasion, revolution, insurrection or other acts of a similar nature or force.

17. Termination

If the Consulting agency fails to deliver any or all of the deliverables within the time period(s) specified in the contract, or fails to perform any of the terms, conditions, or obligations of the contract, or should the Consulting agency be adjudged bankrupt, or be liquidated or become insolvent, or should the Consulting agency make an assignment for the benefit of its creditors, or should a Receiver be appointed on account of the insolvency of the Consulting agency, Planning and Policy Support Unit, State Planning Commission, Bhopal may, without prejudice to any other right or remedy it may have under the terms of these conditions, terminate the Contract, forthwith, in whole or in part, upon thirty (30) days' notice to the Consulting agency.

Planning and Policy Support Unit, State Planning Commission, Bhopal reserves the right to terminate without cause this Contract at any time upon thirty (30) days prior written notice to the Consulting agency, in which case Planning and Policy Support Unit, State Planning

Commission, Bhopal shall reimburse the Consulting agency for all reasonable costs incurred by the Consulting agency prior to receipt of the notice of termination.

In the event of any termination no payment shall be due from Planning and Policy Support Unit, State Planning Commission, Bhopal to the Consulting agency except for work and services satisfactorily performed in conformity with the express terms of this contract.

Upon the giving of such notice, the Consulting agency shall have no claim for any further payment, but shall remain liable to Planning and Policy Support Unit, State Planning Commission, Bhopal for reasonable loss or damage, which may be suffered by Planning and Policy Support Unit, State Planning Commission, Bhopal for reason of the default. The Consulting agency shall not be liable for any loss or damage if the failure to perform the contract arises out of force majeure.

Upon termination of the contract, Planning and Policy Support Unit, State Planning Commission, Bhopal may require the Consulting agency to deliver any finished work which has not been delivered and accepted, prior to such termination and any materials or work-in-process related specifically to this contract. Subject to the deduction of any claim Planning and Policy Support Unit, State Planning Commission, Bhopal may have arising out of this contract or termination, Planning and Policy Support Unit, State Planning Commission, Bhopal will pay the value of all such finished work delivered and accepted by Planning and Policy Support Unit, State Planning Commission, Bhopal. The initiation of arbitral proceedings in accordance with Article 24 "Settlement of Disputes" below shall not be deemed a termination of this Contract.

18. Sub-Contracting

In the event the Consulting agency requires the services of associate consultants, the Consulting agency shall obtain the prior written approval and clearance of Planning and Policy Support Unit, State Planning Commission, Bhopal for all Associate consultants. The approval of Planning and Policy Support Unit, State Planning Commission, Bhopal of an Associate consultant shall not relieve the Consulting agency of any of its obligations under this Contract. The terms of any sub-contract shall be subject to and in conformity with the provisions of this Contract.

19. Assignments and Insolvency

The Consulting agency shall not, except after obtaining the written consent of Planning and Policy Support Unit, State Planning Commission, Bhopal, assign, transfer, pledge or make other dispositions of the Contract, or any part thereof, of the Consulting agency's rights or obligations under the Contract. Should the Consulting agency become insolvent or should contract of the- Consulting agency change by virtue of insolvency, Planning and Policy Support Unit, State Planning Commission, Bhopal may, without prejudice to any other rights or remedies, terminate the Contract by giving the Consulting agency written notice of termination.

20. Use of PLANNING AND POLICY SUPPORT UNIT, STATE PLANNING COMMISSION, BHOPAL Name

The Consulting agency shall not use the name of Planning and Policy Support Unit, State Planning Commission, Bhopal or abbreviation of this name for any purpose.

21. Officials not to Benefit

Edited version of RFP after Pre bid meeting held on 25/09/2017, 4 PM at SPC

The Consulting agency warrants that no official of Planning and Policy Support Unit, State Planning Commission, Bhopal has received or will be offered by the Consulting agency any direct or indirect benefit arising from this Contract or the award thereof. The Consulting agency agrees that breach of this provision is a breach of an essential term of the Contract.

22. Prohibition on Advertising

The Consulting agency shall not advertise or otherwise make public that the Vendor is furnishing goods or services to Planning and Policy Support Unit, State Planning Commission, Bhopal without specific permission-of Planning and Policy Support Unit, State Planning Commission, Bhopal.

23. Settlement of Disputes

Amicable Settlement

The Parties shall use their best efforts to settle amicably any dispute, controversy or claim arising out of, or relating to this Contract or the breach, termination or invalidity thereof. Where the parties wish to seek such an amicable settlement through conciliation, the conciliation shall take place in accordance with the Government of Madhya Pradesh Conciliation Rules then obtaining, or according to such other procedure as may be agreed between the parties.

Arbitration

Any dispute, controversy or claim between the Parties arising out of this Contract or the breach, termination or invalidity thereof, unless settled amicably under the preceding paragraph of this Article within sixty (60) days after receipt by one Party or the other Party's request for such amicable settlement, shall be referred by either Party to arbitration in accordance with the Government of Madhya Pradesh Arbitration Rules then obtaining. The arbitral tribunal shall have no authority to award punitive damages. In addition, the arbitral tribunal shall have no authority to award interest in excess of six percent (6%) and any such interest shall be simple interest only. The Parties shall be bound by any arbitration award rendered as a result of such arbitration as the final adjudication of any such controversy, claim or dispute.

24. Privileges and Immunities

The privileges and immunities of the UN, including its subsidiary organs, are not waived.

25. Authority to Modify

No modification or change in this Contract, no waiver of any of its provisions or any additional contractual relationship of any kind with the Consulting agency shall be valid and enforceable against Planning and Policy Support Unit, State Planning Commission, Bhopal unless provided by an amendment to this Contract signed by the authorized official Planning and Policy Support Unit, State Planning Commission, Bhopal.

26. Replacement of Personnel

Planning and Policy Support Unit, State Planning Commission, Bhopal reserves the right to request the Consulting agency to replace the assigned personnel if they are not performing to a level that Planning and Policy Support Unit, State Planning Commission, Bhopal considers satisfactory. After written notification, the Consulting agency will provide curriculum vitae of appropriate candidates within three (3) working days for Planning and Policy Support Unit, State Planning Commission, Bhopal review and approval. The Consulting agency must replace Edited version of RFP after Pre bid meeting held on 25/09/2017, 4 PM at SPC

the unsatisfactory personnel within seven (7) working days of Planning and Policy Support Unit, State Planning Commission, Bhopal selection.

If one or more key personnel become unavailable, for any reason, for work under the contract, the Consulting agency shall (i) notify the project authority at least fourteen (14) days in advance, and (ii) obtain the project authority's approval prior to making any substitution of key personnel. Key personnel are designated as follows:

- Personnel identified in the proposal as key individuals to be assigned for participation in the performance of the contract.
- Personnel whose resumes were submitted with the proposal; and
- Individuals who are designated as key personnel by agreement of the Consulting agency.

In notifying the project authority, the Consulting agency shall provide an explanation of circumstances necessitating the proposed replacement(s) and submit justification and qualification of replacement personnel in sufficient detail to permit evaluation of the impact on the engagement

Acceptance of a replacement person by the project authority shall not relieve the Consulting agency from responsibility for failure to meet the requirements of the contract.

All the other terms and conditions are hereby accepted. The agency will conform to the requirements as listed out by Planning and Policy Support Unit, State Planning Commission, Bhopal.
